Statement Regarding COVID-19

Recently, it has become abundantly clear that we, and the entire world, are facing an unprecedented challenge. We are keeping the safety and health of our employees, customers, and community members the highest priority.

Given the everchanging nature of this COVID-19 situation, this is a challenging time for all. In order to minimize any potential risk, we have chosen to discontinue on-site (Bank Lobby) service, **Thursday, March 19, 2020**. Galva lobby & McPherson and Lindsborg drive-up hours will remain the same for daily transactions. loan services, loan closings, and access to safe deposit boxes will be provided by appointment. Call to inquire.

While COVID-19 has altered our normal business routine, we do NOT anticipate any service interruptions and we will continue to provide excellent customer support.

As this situation progresses, Farmers State bank will post updates at our branch locations, as well as our website (www.fsb-online.com).
